

Reichert
Xcel[®] Slit Lamps

Performance and Value Converge.

Compare with the Best

Reichert Xcel® Slit Lamps utilize high quality optics, providing clarity and detail that will surprise even the most discriminating operator. The feather-touch XYZ joysticks, convenient controls, and ergonomic design, combined with top quality materials and meticulous assembly, ensure years of comfortable, enjoyable use. The outstanding optical performance, features and quality make the Reichert Xcel series comparable to the world's elite slit lamps.

Additional Accessories to Meet Your Needs

A complete selection of Applanation Tonometers and other accessories, including beam splitters, camera adapters, and observation tubes, are available to complement your Xcel slit lamp.
